COVID-19 Health Crisis:
Financial Relief Guide for Marylanders

This guide briefly describes certain COVID-19 related financial relief programs and consumer protections, with links to more information and resources.

Quick Tips for Consumers

✓ **Beware of “imposter scams”** – emails, phone calls, or other solicitations from fraudsters posing as government agencies, debt collectors, or loan assistance organizations attempting to scam you out of your unemployment benefits or stimulus payments. [More Scam Information](#).

✓ **Report illegal, fraudulent, or deceptive practices** by submitting a consumer complaint to the appropriate state or federal regulatory agency. [List of Regulatory Agencies](#).

✓ **Please plan ahead before contacting businesses and government agencies.** Many have a reduced staff, operating remotely due to state and federal public health directives, and are responding to an unprecedented amount of requests for assistance. To save time, before you call check the organization’s website for answers and have your documentation ready.

Economic Impact Payments (Stimulus Payments)

- The American Rescue Plan (ARP) Act of 2021 authorized up to $1,400 in one-time individual “economic impact payments” (also referred to as a “stimulus payment”). Previous federal legislation authorized individual payments of up to $600 in December 2020 and $1,200 in March 2020 (pursuant to the CARES Act). Many people have already received their economic impact payments as a direct deposit in their bank account from the Internal Revenue Service (IRS). If you have not received a federal economic impact payment or for more information about these payments, visit the IRS Economic Impact Payment website.

- Beware of counterfeit federal stimulus checks! Protect yourself by learning about the stimulus check security features. See the "Know Your U.S. Treasury Check Campaign" for more information on check fraud.

- The Maryland RELIEF Act, effective February 15, 2021, included state-issued economic impact payments for low-income taxpayers. The RELIEF Act payments are not subject to garnishment by a financial institution or the state (except for actions or judgments awarding child support). To learn more about the RELIEF Act and find out if you are eligible for a direct payment, see the RELIEF Act Information page on the Maryland Comptroller's website.

Mortgage Payments & Foreclosure

- If your mortgage is backed by one of the federal agencies or government-sponsored enterprises listed below, the financial institution servicing your mortgage should provide you with a temporary suspension of loan payments (“forbearance”) for an initial period of up to 180 days, with potentially one or more extensions, if you need and request such assistance.

  - Federa Housing Administration (FHA)
  - U.S. Department of Agriculture (USDA)
  - U.S. Department of Veterans Affairs (VA)
  - Federal National Mortgage Association (Fannie Mae)
  - Federal Home Loan Corporation (Freddie Mac)

Fannie Mae and Freddie Mac are government-sponsored enterprises that hold nearly half of U.S. mortgages—use the lookup tools on their websites to find out if one of these entities backs your loan. Be aware that the FHA, USDA, and VA have a deadline of September 30, 2021 to request an initial forbearance.

- There is a moratorium on most evictions related to foreclosures until September 30, 2021 if the mortgages are backed by Fannie Mae, Freddie Mac and the FHA, USDA, and VA.

- Regardless of the type of loan you have, you must contact your mortgage lender or servicer (the company where you send your monthly payments) to learn about the mortgage assistance options available to you. See your lender or servicer’s website or your monthly statement for the contact information.

- For more information and resources, visit the Office of the Commissioner of Financial Regulation’s COVID-19 mortgage relief and foreclosure prevention website.
**Rental Evictions**

- See the Maryland Courts website for detailed information for tenants and information for landlords about rental evictions.

- If you live in multi-family rental housing financed by the Federal National Mortgage Association (Fannie Mae) or the Federal Home Loan Corporation (Freddie Mac), you may have access to their respective Disaster Response Networks. For more information, see Fannie Mae’s COVID-19 renter’s resource finder and Freddie Mac’s COVID-19 rental relief website.

- Landlords of single-family residential properties may qualify for mortgage relief under the CARES Act if they are unable to collect rent from their tenants because of COVID-19. Landlords should contact their mortgage servicer to see if they qualify and to understand the associated tenant protections.

- Contact your landlord or property manager to discuss your payment options and check with your city or county government—some local jurisdictions have rental assistance programs or additional landlord/tenant laws. See also the Maryland Department of Housing’s Eviction Prevention webpage for more resources.

**Student Loans**

- The U.S. Department of Education has extended temporary suspension of payments (“forbearance”) and a 0% interest period for most federal student loans until January 31, 2022, among other provisions. Information about forbearance and other assistance programs for federal student loans is available on the U.S. Department of Education’s Federal Student Aid Coronavirus and Forbearance Information website.

- Private student loans do not qualify for the federal programs. Private student loan borrowers should discuss their personal situation with their student loan servicer.

- Beware of fraudulent companies posing as “government agencies” contacting you by email, text, or phone promising to help with student loan relief or resolve issues on your behalf.

- Contact your student loan servicer (the company where you send your monthly payments) to learn more about loan relief options specific to your situation. See the servicer’s website or your monthly statement for the contact information.

- For more information and resources, visit the Office of the Commissioner of Financial Regulation’s COVID-19 student loan relief website.

**Automobile & Personal Loans**

- Some lenders may provide assistance by offering general loan deferral programs, modification options, certain late fee waivers, and temporarily refraining from reporting negative information to the credit bureaus related to payment deferrals.
Contact your creditor or lender to discuss payment options specific to your situation. See your monthly statement for the contact information.

**Collections & Garnishment**

- Collection activities and garnishments for federal student loans are suspended until January 31, 2022. For more information, see the U.S. Department of Education’s [Federal Student Aid Coronavirus and Forbearance Information](https://studentaid.gov) website.

- The Maryland RELIEF Act stimulus payments, distributed by the [Maryland Comptroller](https://comptroller.maryland.gov), are not subject to garnishment by a financial institution or the state (except for actions or judgments awarding child support).

- Contact the collection agency or your loan servicer, bank, or creditor to discuss payment options specific to your situation. See your monthly statement for the contact information.

**Credit Reporting**

- The CARES Act of 2020 includes requirements for companies that report your payment information to the credit bureaus. If you are *current* at the time you enter into forbearance, deferment, or a partial repayment plan due to COVID-19, your payment status should remain as “current”; if you are *delinquent* at the time you enter into such a plan, your payment status will reflect the delinquency status until the loan is brought current. This applies to mortgages and student loans covered under the CARES Act.

- To assist consumers with monitoring their credit, the three main reporting bureaus – Experian, Equifax, and TransUnion – are offering free online credit reports weekly through April 2022. Contact the credit bureaus directly to obtain your report, or visit the federally-authorized website [AnnualCreditReport.com](https://www.annualcreditreport.com).

**Income Taxes**

- The deadline for filing Maryland taxes was extended to July 15, 2021 for certain filers. For more information about state taxes, contact the [Maryland Comptroller](https://comptroller.maryland.gov); and to learn more about the Maryland RELIEF Act unemployment state tax relief, see the [RELIEF Act Information page](https://comptroller.maryland.gov) on the Maryland Comptroller’s website.

- The deadline for filing federal taxes was extended to May 17, 2021 for certain filers. The ARP Act of 2021 includes unemployment federal tax relief and other tax provisions. For more information about federal taxes, including questions about federal taxes on unemployment earnings, the Child Tax Credit, and the Recovery Rebate Credit (for outstanding 2020 stimulus payments), contact the [Internal Revenue Service](https://www.irs.gov).

**Insurance Coverage & Payments**

- Automobile and other property or personal insurance companies are instituting premium rebates and/or rate reductions. Some insurance companies are also removing certain exclusions and providing flexibility with their deadlines and payment requirements to prevent loss of coverage during the state of emergency.
Assistance programs and the amount of financial relief varies between different insurance companies. Contact your insurance provider to discuss options specific to your situation and insurance policy.

For more information and resources about insurance, including Health Insurance FAQs, visit the Maryland Insurance Administration’s COVID-19 Resources website.

Utility, Phone & Internet Service

Contact your utility, phone, or internet service provider to discuss payment options specific to your situation. See the company’s website or your monthly statement for the contact information.
