Octavo is on the hunt for an AWESOME designer.

Do your friends drag you or think your humor is a little sus? Well, we welcome that with open arms. Serious consideration will be given to a creative who has at least 3+ years of professional experience and a portfolio that will give us no choice but to stan. We are looking for a designer who pushes boundaries and isn't afraid to create the most mind-blowing work.

Do these words describe you: innovative, unique, edgy, extroverted?
Do you want to work in a fun office space and not at home on your "For You Page"?

We are looking for that main character energy—someone who likes to push creative edges with their designs in everything from branding to website design. If you think you're a good fit, see below for the scoop.

WHY YOU WANT TO WORK FOR US

- We are irreverent, clever, and full of humor.
- We are hard workers with high standards and always humble.
- We create work that we are proud of.
- Did we mention vibrating chairs?

THE VIBES

The vibes are immaculate. Want to learn more?
