### Laboratory Accessioners

#### Job description

Cian Diagnostics provides a complete range of diagnostic, toxicology, molecular/genetic testing, and laboratory services. CIAN Diagnostics is committed to providing fast, reliable diagnostic testing with unparalleled customer service. We have expanded our services to include COVID-19 testing and are in "hyper-growth mode".

**Laboratory Accessioners** are needed in the Frederick, Maryland location. This is a temporary position with the potential to extend.

This position will assist with handling samples for COVID-19 testing and performing data entry.

#### Responsibilities include:

- Unpacking specimen deliveries
- Identifying all necessary information on the requisition forms
- Matching information on the test requisition with information on the collection vial for accuracy
- Identify correct documentation and procedures for missing or discrepant information

#### The ideal candidate:

- Is a flexible team player willing to work a variety of shifts (**including evenings and weekends**)
- Can communicate information in a clear and concise manner
- Is professional at all times
- Will preferably understand or have experience in a lab environment
- Has strong data entry skills with exceptional accuracy
- Personal protection (gloves, face mask, etc.) will be provided*
