

Looking for a New Career?

Join us for Baltimore County Monthly Job Club & Recruitment Events! These events will occur during the third week of each month and will rotate between each of the three Baltimore County American Job Centers (Hunt Valley, Randallstown, and Eastpoint).

Each event will feature local employers from various industries that currently have career openings, along with job seeker resources: certified résumé reviewers on site to help you enhance your résumé, registered apprenticeship resources and information, veterans' services resources, and the brand-new Baltimore County Mobile Career Center! The purpose of these events is to provide a complete one stop shop experience to introduce job seekers to local employers with available career opportunities, as well as to share information that the state and local workforce agencies provide to both job seekers and businesses in Baltimore County.
